Heavy Rain plays spoilsport with Marshals' effort

Secunderabad June 15, 2021: Tuesday saw one of the heaviest downpours in the twin cities. Quite a few Marshals were stranded at major X roads while on duty. A few continued after the rain relented. However, in most areas the unrelenting rain left the Marshals drenched to the pits. Truly commendable work in testing conditions for the Marshals.

A Snapshot of the Marshals on duty on Tuesday
