## Rains can't dampen Marshals' spirit

Secunderabad June 04, 2021: The pre-monsoons rains arrived around afternoon, by the time complete lockdown was not implemented. However, the Marshals spirit couldn't be dampened by the rains as they continued to form the support for the Rachakonda police. Manning the traffic junctions and check posts, reigning in errant drivers and educating them on traffic rules and covid norms, the Marshals continued to serve with passion.
