Traffic Marshals on duty at Keesara on Mahashivarathri

Hyderabad Feb 19, 2023: Devotees across Hyderabad and districts of Telangana celebrated the festival of Mahashivaratri on Saturday February 18th, with fervour and gaiety. Since morning they made a beeline to Shiva temples, which were decked up with flowers and lights, to offer puja. Lakhs of devotees thronged the famous Ramalingeshwara temple - Kesaragiri Kshetram at Kesaragutta and performed special 'abhishekams', 'archanas' and 'rudrabhishekams'.

It was truly a herculean task for the Rachakonda Police to make bandobast and ensure smooth movement of people and traffic throughout the day and night till Wednesday morning. Lending their support to the police were the Traffic Marshals of the Rachakonda Security Council (RKSC), who manned the important junctions and queue complex to streamline the movement of devotees and the vehicles.

Under the guidance of Dr. Raghuveer, Jt Secretary RKSC Traffic Forum and RKSC team, Marshalls supported the

Rachakonda Traffic Police teams from almost 3.00 PM to 3.00 AM on Sunday, in check post management, traffic management and pedestrian safety thereby ensuring a smooth traffic, safe and timely darshan to all devotees. The Marshals also ensured that there was parking compliance, No wrong side driving, checking passes, making announcements, moving pedestrians to left of the road and smooth movement of devotees.

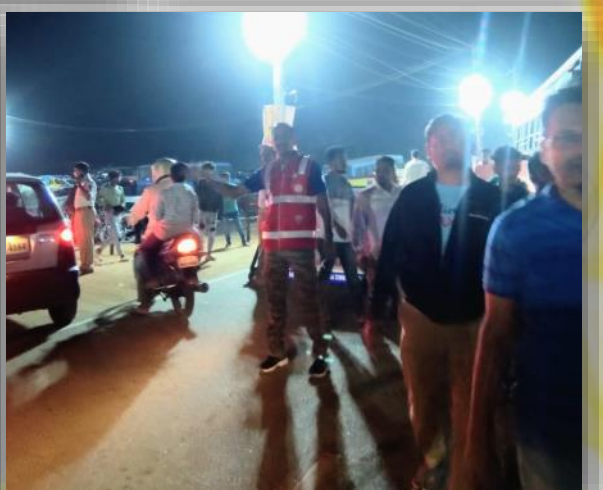

The Marshals were supported in their endeavour by DCP Rachakonda Traffic, Abhishek Mohanty, IPS and ACP Traffic S Srinivas Rao and teams. Mr. Samson Joseph, Inspector, Traffic Training Institute (TTI), who had trained the Marshals was also present with the teams.

It was truly an enriching experience for the Marshals who were there for almost 13 hours, on the special occasion and made a mark with their presence.

Traffic Marshals from the Malkajgiri and LB Nagar divisions, together with their untiring duty, made the event a memorable one.
